you're the one I've been dream - ing of! I've found you a

- gain. Some- times we mis un der - stand,

we may stum - ble, lose our way, and we don't know what's

right in our hand, But then, but then...

Once we have found that door we'll be on the

way to be hap- py and free, but you will see, we will al - ways find

time to say; I've found you a - gain!
