

**HW 9 Due Wednesday April 16**

[Problems numbers are from revision (e) of the book.]

1. (10 pts) Book Problem 6.1

2. (10 pts) Book Problem 6.3

[Note that problems 6.1 and 6.3 ask that you use no restrictions on the test functions/virtual motions. Because of this your answers will include (unknown) support reactions.]

3. (10 pts) Book Problem 6.6

4. (10 pts) Book Problem 6.9
